

Oakland Builders Alliance 2009 Membership Application

The Oakland Builders Alliance exists to be a reliable and credible voice in support of the continued economic revitalization of Oakland through the establishment of reasonable and innovative policies and practices that support smart-growth and urban infill; that lead to livable communities; and that create mixed-income, mixed-use communities that reduce dependency on automobiles, and encourage safe, walk-able streets. The OBA also exists to ensure the success of its members--small and medium sized builders and affiliated trades and professionals-- through mutual support, and by advocating for leaders and policies that encourage development in Oakland.
